## **THE WCA CANNED FOOD DRIVE WAS A HUGE SUCCESS**

A Grand total of 1,064 cans were collected surpassing the goal of 600 cans! The elementary winner of the ice cream party is the Kindergarten class with an average of 27 cans per person. The senior class won the high school division averaging 29 cans per person and will receive one dress down day. All cans collected will be delivered to the Delaware Township Building to help local families in need. **Thank you parents for assistance with this project.**

Our Collection of “LOST” items is growing. Please have your student look through the “stuff” to see if there is something there that should go home with him/her. If your child is missing something and you would like Dona to look for it please call her before Thanksgiving Break and she will be glad to look through the “collection”. Items not claimed will be given to Salvation Army as well as any items left in the locker rooms.
